Mirpur, Dhaka, Bangladesh

### ABOUT ME

I'm a passionate and creative Web Designer who loves turning ideas into beautiful, responsive websites. I specialize in WordPress, Elementor, and WooCommerce, with strong skills in CSS for crafting pixel-perfect designs. I enjoy working remotely and always look forward to building something amazing.

### EDUCATION

Govt. Bangabandhu College

**BBS – Bachelor of Business Studies**

2021 – Present

### WORK EXPERIENCE

Convertive - Remote

#### Front-End Developer

Developed responsive and user-friendly web interfaces using HTML, CSS, and JavaScript. Collaborated with the team through Git and GitHub for version control and project updates. Focused on clean code and efficient front-end performance.

Tech Nova BD - Remote

#### Project Manager | WordPress Developer

As a Remote Project Manager & WordPress Developer at Tech Nova BD, I managed website projects, coordinated team tasks, communicated with clients, and ensured on-time delivery. I also developed, customized, and optimized WordPress websites for performance and usability.

Bhaira - Remote

#### Co-Founder & WordPress Developer

Co-founded the company and developed WordPress websites using Elementor and WooCommerce. Managed website projects from concept to deployment, ensuring responsive design and client satisfaction. Used Git and GitHub for version control and collaboration.
